LEAVE A LEGACY®

NEW HAMPSHIRE/VERMONT

*Make a difference
in the lives that follow.*

LEAVE A LEGACY® is a nation-wide public awareness campaign that promotes the message that all people can make a difference by leaving a charitable legacy through a will, trust or by other means. LEAVE A LEGACY® NH/VT is a partnership of charitable organizations, professional advisors, and corporations. It is sponsored by the Upper Valley Planned Giving Council, and supported by several area organizations. This is our first LEAVE A LEGACY® NH/VT calendar; we hope you enjoy it!

The goal of LEAVE A LEGACY® NH/VT is to increase the number of charitable gifts and bequests that are made throughout New Hampshire and Vermont. There is no better time than the present to take action. Whether it is time for you to write your will, or add a charitable bequest to your existing will, name a charity as a beneficiary of your retirement plan or insurance policy, it's easy to do. Your advisors and our public presentations will help explain how; and you'll enjoy the lasting satisfaction of knowing that you've done something special for the future of New Hampshire and Vermont citizens.

Thanks to our sponsors, supporting partners, partners and volunteers for their efforts in bringing LEAVE A LEGACY® to New Hampshire and Vermont. We welcome inquiries and support during the coming months and years as together we make a difference in our communities.

For further information visit our website www.leavelegacynhvt.org

Sincerely,
LEAVE A LEGACY® NH/VT

OUR SPONSORS

As of November 2008

Our Supporting Partners are really our sponsors. Through their generosity, sponsors help to underwrite the cost of producing this informational calendar, and they also makes it possible for partnership dues to be affordable (\$100 per year) for small non-profit organizations throughout New Hampshire and Vermont – those organizations that would benefit most from charitable legacies.

Ten Steps To Leaving Your Legacy

To help you consider how to leave your legacy, follow these ten steps:

- 1.** Prepare a will. Only 20-40% of those who pass away have one. Without a will, you lose control over your property at death.

Marguerite Wellborn: Honoring a Donor's Vision
New Hampshire Charitable Foundation

By Lois Shea

Marguerite Wellborn was, by avocation, a naturalist and a writer. She spent thousands of hours studying ecology, and wrote scientific prose and lyrical poetry about things like the construction of spider webs, the complicated lives of ants, the imbalance of a northern forest without indigenous wolves, and global warming. In her will were 70 final words on the subject, which called for the creation of the Wellborn Ecology Fund. Wellborn left nearly \$10 million to the Upper Valley Region of the New Hampshire Charitable Foundation to create the Fund, intended "...for public awareness of environmental and ecological issues in the Upper Valley..." As a result, thousands of people in New Hampshire and Vermont have gained a greater understanding of the natural world...

The Howe Library - Hanover, NH

By Jere Nelson

Several years ago, The Howe Library in Hanover received a bequest of \$2,000 from a long time cardholder. That bequest was used to establish the "1000 Books Reading Program" for preschoolers; 100 canvas bags each holding 10 books especially chosen for young readers and their parents by the youth librarian. The theory behind the program is that reading 1000 books to a child is a way to develop the joy of reading and to prepare a child for school. Who would have guessed that a remembrance in a longtime friend's will would have such a long term benefit to the next generation?

Twenty Times Your Annual Gift **Dartmouth-Hitchcock Medical Center and Dartmouth Medical School**

By David B. Ely, CFP®, ChFC, Director of Gift Planning

Have you ever wondered if it was possible to continue your Annual Fund giving forever? That question comes up from time to time, so we thought it would be helpful to let you in on a simple way to do just that.

Let's say that Mr. and Mrs. Williams have supported the Annual Fund for over 25 years. Last year they donated \$200 and asked if there was a way to continue this annual gift after their lifetimes. The Gift Planning Office suggested that they speak with their attorney about adding a new bequest to their current wills. The bequest amount should equal 20 times their desired annual gift. In this case, 20 times their \$200 annual gift equals \$4,000. The attorney simply drafted a one-page codicil, or amendment, to add this bequest to their estate plans. After their deaths, the \$4,000 bequest would then be added to DHMC's or DMS's general endowment fund. If the endowment earned 5% per year, the \$4,000 bequest would provide \$200 annually in the desired gift amount. This annual income would continue forever and possibly grow over time. Bequests like this are quite common, and while larger bequests are always welcome, for most donors the satisfaction that comes with knowing they are supporting medicine at Dartmouth in perpetuity is the greatest gift of all.

Legacy Gift Supports Montshire's Summer Programs Montshire Museum of Science

By Jennifer Rickards, Director of Development

Eleanor "Bunny" Furlow had a special love for children's programs at the Montshire Museum. She didn't drive, so when her husband died, she had limited mobility. Montshire's Director David Goudy would often pick her up and bring her to the Museum so she could watch the children enjoying their summer camp experiences. Mrs. Furlow wanted to support these programs long into the future. In 1995, she established a charitable remainder trust with the Montshire as a beneficiary. When she died in October 2007 at age 103, her gift created the Walter Meriwether and Eleanor D. Furlow Summer Camp Directorship. The funds received from her trust were placed in the Montshire's endowment to ensure the future quality of children's programming.

Girl Scout Council of VT

By Dannah Lappin

Elizabeth "Lib" Higgins became a scout when she was a girl, and never left the Girl Scout organization! Lib volunteered her time, even though her three children were boys. She became a staff member, then when she retired, Lib returned to Girl Scouts again as a volunteer. Lib understood that when girls become members, they benefit from all that Girl Scouts has to offer. After 71 years in Girl Scouts, Lib left a legacy gift that provides membership scholarships for more girls to join the Girl Scouts.

Squam Lakes Natural Science Center

By Barbara Bald

When it came time for me to consider writing my will and deciding where to allocate my money, there was no question that the Squam Lakes Natural Science Center be first on that list. Since I wanted to see these programs continue and expand beyond my lifetime, I set up a trust naming the Center as one of my beneficiaries. I encourage others to consider remembering their favorite charities in their bequests. Consider it our legacy, our payback, our celebration of what we can offer to future generations.
